BIG THANKS

From the site services team for all the core staff that helped unload the trucks full of tables that arrived for set up, your hours of physical labour did not go unnoticed, without your help the job would have been enormous! Many hands make light work even with heavy tables! As well the core staff that helped unload the seemingly endless amount of semi trucks and cube vans full of patrol gear that arrived!

What shirt do I wear?.... When?

OPENING CEREMONIES Core Staff are asked to wear the red polo shirts, Patrols are asked to wear the orange all camp shirt.

OFF SITE ACTIVITIES The ORANGE all camp shirt is to be worn for day trips and trips in to Smithers.

Recycling at SOAR

Site Services is issuing a **challenge** to see who can create the least garbage. **Core Staff vs the Sub-Camps** – so far the Sub-Camps are winning! Over-all winner will be announced at the Closing Ceremonies.

Bins are marked and located at sites around SOAR, we ask that you do your best to ensure items that can be recycled are put in the proper sorting containers.

COMPOST: All organic (food and other) waste is being taken by a local pig farmer, he tells us pigs will eat everything! So toss it in the compost bin, if the pigs don't like it, they will spit it out!!

RECYCLABLES: Plastic food containers, plastic that stretches, glass, metal cans,

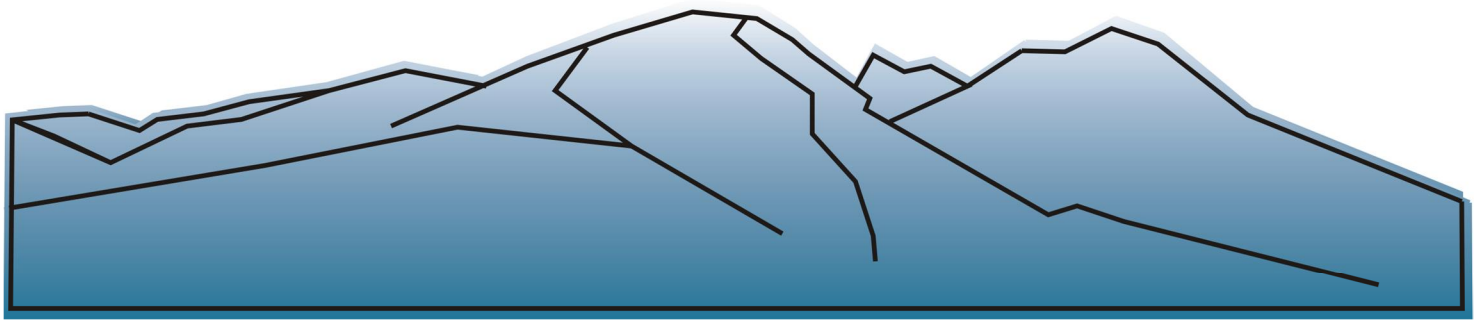

RETURNABLES: Pop cans, pop bottles, juice containers

CARDBOARD: any thickness from food packaging to boxes
